**Leroy:**

**I was looking for temp fencing companies because of the difficulties you guys are having.**

**I located the following:**

- 1. Alamo Fence Company**
- 2. United Site Services**
- 3. American Fence**
- 4. National RentaFence**
- 5. Cain Rental**
- 6. National Construction Rental**
- 7. Aztec Rental**
- 8. Construction Rent a Fence**

**I hope that your scope included the additional security measures such as:**

- a. 3 Strand Barbed Wire**
- b. Bottom Tension Wire**
- b. Top Rail**

**Also, I know you probably included a gate but I don't know what size you determined was necessary.**

**Thanks**
